Subject: FW: FOR KIM? OGWDW Wolverine Info Request RE: PFC Site Briefing Papers/1-pagers

Region 5 received an email from Christine Wadlington, below, asking for a one pager on the DuPont Washington Works matter. Jacquie wrote up the one pager, which Roger and I reviewed. Roger made a suggested change, that Jacquie is making. Once she makes the change she will send me the revised one-pager for Region3 review. I expect that to occur in today or tomorrow. I wanted to give you all a heads up, in case you are asked about this issue.

When the one-pager is complete, we should make it clear that it is being provided by both regions.

Andy

Kim,

These are due when possible. While there is no immediate deadline, our AA asked us to put together "high visibility site" briefing papers can be pulled from when asked for by the AO. There have been quite a few "need this in an hour" fire drills on drinking water, and we're trying to prepare in advance.

Any format or premade information would be perfect. I'll update (then send back for your review) in a format that we've been using for meetings with the AO.

Also, no, I have not received anything from Region 3.

Importance: High

Hi everyone - HQ is requesting a backgrounder/1-pager on Wolverine.

Allison - Do you have something already prepared?

Ex. 5 Deliberative Process (DP)

Thanks!
Kim

Happy Friday Christina,

I hope that all is well in DC.

I am forwarding your request below to Kim Harris, our R5 PFAS Team Leader, and Rita Bair, Tom Poy's Section Chief and Kim's Supervisor. I think Kim may have something for you that's already been prepared; however, it's a fast moving project.

Best wishes,
Heather

Heather A. Shoven
Compliance and Enforcement Team Leader

Subject: PFC Site Briefing Papers/1-pagers

Good Morning,

In an effort to prepare for future fire drills regarding locations where PFCS have become a priority, can you provide your most updated backgrounder/1-pager on the following sites?

Not responsive based on revised scope.

Parkersburg, WV

No need to create anything new (unless needs updating) or format. Once we have submissions from this group, we'll format, send back then run through the PFC Communications Work Group. In the future, the currently forming "Regional Rapid Response" team will likely lead any updates.

Please let me know if you have any questions.
Thank you in advance.

Christina
